NRA News Ginny Simone Reporting | Australia: A Nation of Defenseless Victims

[0006](#)

by [Shorty Dawkins](#) , [November 19, 2015](#)

The following is an NRA produced film about the gun confiscations in Australia, and what has been the result. As you can expect, armed robberies increased by 69%, and other crimes committed with guns are up sharply, as are home invasions. Australians are truly defenseless victims.
