Count me in as an Oath Keeper.

I committed to the oath five times while serving my country and never felt that it didn't apply to me as a private citizen. Upon retiring from the U.S. Navy I had more time available to become a better informed and engaged citizen in this blessed experiment of "self-government" provided by our inspired Founders. This lead to a renewed search for truth, and began a process of self-education involving the Constitution and the principles of good government.

Some of the issues I studied were on the Dark Side: the Randy Weaver case, the Oklahoma City bombing, and the Branch-Davidian Massacre, the deception behind the United Nations, the Federal Reserve Act, the Bilderberg Group, the Tri-Lateral Commission, The Council on Foreign Relations, The Royal Institute for International Affairs, The Skull and Bones Society, The Bohemian Club, the JFK assassination and the resulting Warren Commission cover-up, and the 9/11 Commission white-washing to name a "few".

On the Light Side (as in "Truth and Light"): I found the John Birch Society, Ezra Taft Benson, Jews for the Preservation of Gun Ownership (JPFO), The Gunowners of America, Boston T. Party (Kenneth Royce), Bill Cooper, Michael New, Devvy Kidd, Dr. Edwin Vieira, Jr., W. Cleon Skousen, Pastor Chuck Baldwin, Alex Jones, Ron Paul and the Campaign for Liberty, AZ state legislator Karen Johnson, and many more people who were engaged in fighting for the cause of liberty.

However, in the back of my mind one element seemed missing, yet I couldn't identify it until I heard about a group that expressed the term.... OATH KEEPERS!

To all the Oath Keepers I say, "*Be courageous. Be true to yourself. Stay the course.*"

The task ahead of us is never as great as the Power behind us.
