Ret. Peace Officer and Nat. Guard Vet
says "Justice be done."

Hi,

I swore my allegiance to the United States Constitution back in 1965 when I was hired as a police officer for the Redwood City, CA Police Dept. and again when I joined the Calif Nat'l Guard.

I am grateful for this opportunity to once again swear to uphold the Constitution against all enemies foreign and domestic.

"Justice be done, may the heavens fall."

Jim Mustanich
