Please check out the documentary "A Noble Lie".]]> <https://www.oathkeepers.org/blending-in-jade-helm-style-fake-rental-trucks-reveal-militarys-hidden-spy-rooms/#comment-44090> Wed, 09 Sep 2015 17:44:47 +0000 <https://www.oathkeepers.org/?p=7899#comment-44090> Cameras on every major corner, business, homes-cameras everywhere. Gunshot mics being installed. The local ice cream truck (spycreams) has for 15 years been driving up and down the streets gobbling up wireless data and (probably) peering into residences and businesses-selling very little ice cream. Late at night, you can here the single prop drone making huge circles around the city; go somewhere dark and see the swarms of satellites. All the new gadgets spy-even the light bulbs. The wondrous Smart Meter. I look out the window, and the cop across the street (who probably has a Stingray or latest equivalent) keeps irregular hours. How many False Flag events have occurred-both real and imagined? And now we have a 911 Day Parade to celebrate our freedom and safety here in Kalifornia. Jade Helm is a dry run.]]> <https://www.oathkeepers.org/blending-in-jade-helm-style-fake-rental-trucks-reveal-militarys-hidden-spy-rooms/#comment-43863> Tue, 08 Sep 2015 23:44:37 +0000 <https://www.oathkeepers.org/?p=7899#comment-43863> Wanna bet that the enemy infiltrators such as terrorists and Russian/ Chinese/ DPRK/ ISIS, AND OTHERS are using the same techniques. We know that local LEO, FBI,DEA,etc. use public utility ,US Mail, UPS, FED X trucks to conduct surveillance, so it fits that spec ops would do the same.]]> <https://www.oathkeepers.org/blending-in-jade-helm-style-fake-rental-trucks-reveal-militarys-hidden-spy-rooms/#comment-43828> Tue, 08 Sep 2015 21:05:08 +0000 <https://www.oathkeepers.org/?p=7899#comment-43828> @Siege Breaker, My thoughts exactly like a couple of flares shot into their hay.POOF!! BTW has any one heard that the small arms treaty is being cinched up for the U.N. meeting this month, rumor has it that the Senate now only needs one half the votes to make it into law. Now that would be a heck of a time for JH15 to do what they do best.]]>
