## USAF Veteran Testimonial

Logo3USAF

I am a veteran of the U.S. Air Force 79'-83'. I felt it my duty to serve my country and proud that I did. I took my oath very serious then and that oath never expired. I will defend the honor of my family who has fought in every war from the Revolution through Vietnam. We must not forget those 96,000 men who died in Korea and Vietnam fighting against the very ideology that now prevails in Washington. May their sacrifices not be in vain.
