Deputy Sheriff Speaks his Mind

***"I don't think David Rockefeller knows how to fly
an F-15 ..."***

My name is [name deleted] and I am a Deputy Sheriff for the [deleted] county Sheriff's Office . I am only 22 years old but even I can see the evil threat that the elitists in our U.S. Govt. pose to our Constitution, our Rights, our Freedoms, and our National and State Sovereignty.

When I was sworn in on 12/21/2007 I took an oath to serve my County, my State, and my Country and to uphold the State and U.S. Constitution. When these CFR's, Trilaterals, Bilderbergs, Freemasons, Illumanti.....the whole international Banker Luciferian conspiracy tries to enforce their illegal martial law and officially change our country into a 4th Reich I WON'T STAND FOR IT! I wont obey any order that violates the rights and protection given to my fellow Americans by our Constitution even if the penalty for not obeying is death.

My Country and my State are no longer under the control or will of the People as they should be. The Republic is all but destroyed and forgotten. But the true Americans, the Christians, the Patriots, the intelligent non brainwashed members of the Military and Law Enforcement won't put up with this! You can only push us so long before we push back.

All I know is, I see the darkness that this tyrannical govt. poses, not since Lincoln has disregarded State's rights has a threat this imminent been present. The thing everyone needs to remember is that the only way to enforce their nonsense treasonous acts and orders is with man power.

My fellow Peace Officers and the Military, if we stand up and say NO to them they're powerless. I don't know about you, but I don't think David Rockefeller knows how to fly an F-15 or how to drive a tank or how to dress up in riot gear and use pepper spray and taser devices..... ONLY WE DO, and if we say screw you, you traitor, what are they gonna do???? Absolutely nothing, and when the time comes that they issue these treasonous orders the plan is simple, we don't obey and we place the traitors under arrest, end of story.

I stand for the Constitution, I serve the Republic and I won't obey any unlawful or traitorous order!
