[May 22, 2015](#)

We have a new Facebook page. The old one, due to Facebook blocking access to the old page, is still operable, until we go through some administrative hurdles with Facebook to get it closed out. Our NEW Facebook Page can be found [HERE](#). The Facebook icon on the right hand side bar will also take you to the new page. We are working hard to build the new page and ask for your patience as we do so.
