Rule From The Shadows – The Psychology Of Power

[0 0 0 0](#)

[August 10, 2015](#)

[This is another video from StormCloudsGathering.](#)

How do the powers that seek to control us in every way gain their power? Through manipulation. That needs to be understood. That manipulation is mainly psychological. If you understand how it is done, you have a chance to defend yourself against. The manipulation is usually very subtle, but effective.
