From back in November, 2014, the following video reaches deeply into philosophical queries regarding the relationship between the individual and a government.

The struggle by mankind to achieve freedom is as old as the Ages. In this presentation for the Mises Institute Judge Andrew Napolitano mentions Thomas More. You can get the background on Thomas More at Wikipedia, here –

https://en.wikipedia.org/wiki/Thomas_More

Enjoy this wonderful look into the vastly mis-understood subject of Natural Law.
