*The Military Commissions Act, assault on the Bill of Rights by a vile lot;
I see no reason why that day of high treason
Should ever be forgot.*

*Remember, remember the 11th of September
The American Reichstag Fire burned hot;
I see no reason why the lessons of history
Should ever be forgot.*

*Remember, remember this is land of the free, home of the brave
Land of the scared, home of the slaves it is not;
I see no reason why Liberty or Death, Spirit of 1776
Should ever be forgot.*

*Remember, remember, the source of your rights is in heaven
Proclamations of black robed priests matter not;
I see no reason, why their creeping treason
Should ever be forgot.*

Remember, remember "when the government fears the people, there is liberty ."
 "When the people fear their government" there is not;
 I see no reason why this timeless truth of freedom
 Should ever be forgot.

*Remember, remember the 19th of April
Embattled farmers stood in the Concord meadow
Firing the world-changing shot;
I see no reason why the 19th of April
should ever be forgot.*

*Remember, remember the 19th of April,
Embattled Jews stood in the Warsaw Ghetto
Firing on the Nazi rot;
I see no reason why the 19th of April
Should ever be forgot.*

Remember, remember the 19th of April
 Embattled Davidian women and children burned in the fire so hot;
 I see no reason why the 19th of April
 Should ever be forgot.

Remember, remember their spirits live forever
Thus they did fear not;
I see no reason why these examples of defiance
Should ever be forgot.

*Remember, remember your body will not live forever
That you will die matters not;
When The Day comes, follow your fathers
Give them ball for ball, and shot for shot.*
