Death before Dishonor

This is the Oath I Swore in the summer of 1964. I joined the USMC(R) to keep from being drafted into the Army.

I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to regulations and the Uniform Code of Military Justice. So help me God.

We have to take this country back and not leave it to the politicians to run rough-shod over the Constitution and Bill of Rights and the rest that I don't need to mention.

"Semper Fi"

Mike
