I promise to uphold the oath and to
spread the word

NUTS! I promise to uphold the oath and to spread the word! I
am an
ex-Navy Machinist Mate 2nd Class, and I have not set aside my
Oath, nor
shall I.

The times we are in will test our foundational beliefs and
resolve.

This blogspot is an awesome way to spread the word and
remind each other
of our shared values, and our promise to defend the
document which
codifies our freedoms.

If you are interested, I have drafted an official petition for
redress
of grievances to the federal government, that I can send. The
more that
we can get to sign on, the better.

In Faith,
