I know what the Oath means to me and my family

I grew up in a house where I saw my father put on his uniform every Monday night for years and go to Reserve drills. Then when I turned 17 I joined the Naval Reserve while I was still in high school. After high school I did my active duty with MCB 7 doing one tour in Spain and one tour in Nam. After my active duty was over I stayed in the reserve and did several training duties with my father before he retired as a Chief Petty Officer. I stayed on and retired also as a Chief petty Officer. So I know what the Oath means to me and my family.

And Not on My Watch!

Ole Glory flies in my front yard everyday
