## Disabled Marine Sounds Off

### From a disabled Marine

**I swear until my last breath that I will die before I live in a communistic/socialistic country. If I wanted to live in that type of country I would have moved to Europe. I swear to uphold the constitution and to never give way to anyone that does not support it. I swear to always be free and that no one can conquer me. Either give me liberty or give me death. If a person tries to force fascism or communism I vow to take a well aimed shot. Breathe easy and pull slow and off it will go. I swear that I will never give up on the fight whether that is intellectual or physical.**
