Testimonial From Veteran of the 82nd Airborne and the SC National Guard

Fellow Oath Keepers:

**I am Jyrell David Shedd Sr., 44y/o W/M who loves GOD,
Family and Country (Mine is SC).**

**I am a Veteran of the 82nd Airborne Division 1/325 PIR
where I served as an 11B and the SC National Guard 122nd
Engineer BN (Combat) where I served as a 12 B Team
Leader.**

**I am a Veteran of the Volunteer Fire Service -27 years,
Retired EMT, Graduate of the SC Criminal Justice Academy
and also am an Amatuer Radio Operator serving the public
in times of emergency.**

**I took my oath of service in 1982 at 17 YOA. I did not not
think about it then, just wanted to serve and do the right
thing.**

Airborne! All the Way! "America's Guard of Honor."

Even then I already had an innate sense that something was amiss in our military. Now after many years of study and experience I see the "Clear and Present Danger" is a Federal Government that has been overtaken by the true enemy of freedom, and is poised to strike at the heart of our beloved Republic.

My oath was sworn to the American People (Not the U.N. or world) before GOD and it will be fulfilled.

'The enemy is inside the wire.'

WILL NOT BOW!!!

Jyrell D. Shedd Sr.
