## OATH KEEPERS SPEAKERS AND OATH CEREMONIES COMING TO A JULY 4 TEA PARTY NEAR YOU

Oath Keepers is getting a flood of invitations to speak and conduct oath ceremonies at July 4 Tea Parties all over the nation.

So far, we have been invited to take part in July 4 events in Oklahoma, Montana, Wyoming, Florida, Texas, Nevada, and Washington DC. We will post details as they come in.

What is an Oath Keepers oath ceremony like? Here is an example, from the April 15 Knoxville Tennessee Tea Party, where some 3,000 people reaffirmed their oath or took the oath for the first time:

If you know of a July 4 event you would like to see Oath Keepers participate in, email us and let us know about it at [oathkeepersok@gmail.com](mailto:oathkeepersok@gmail.com)

Even if we cannot get a speaker to you, we can provide you with an address from Oath Keepers, specially made for July 4, that you are welcome to read out loud to those in attendance, and you are welcome to conduct an oath

ceremony of your own at your event.

We would suggest that such an oath ceremony be conducted by an active duty service member, police officer, or veteran - or any other well respected citizen of your community who you consider an oath keeper and someone worthy of conducting such a solemn oath ceremony.

The oath is powerful. Use it.

Email us for details.
