Testimonial: He Will Stand in Honor of Those Who Came Before

It's been 18 years since I took the oath and I've "obeyed the orders of the officers appointed over me" ever since. I have a terrible feeling that someday in the very near future I will no longer be able to do that. To me it is not even an option.

I will not spit in the face of every veteran who came before me and served and died to defend this countries freedom. I will take my children, my firearms and my freedom and do what our forefathers had the courage to do; stand up and defend the greatest country history has ever known from the tyrants that have been placed in power by the ignorant and uninformed.
