Testimonial: Just real quick. I feel that this is a great organization, I have not had time to read everything yet. I am held to my oath by duty, honor and integrity. Proud of my military service, proud to be a veteran, proud to be an American.

I am appalled at the tyranny already happening in this country, I hope that you keep digging and providing information to keep us well aware of the dangers out there by the people we thought we could trust. It was said in the Bible the people will die from lack of knowledge, that can be applied here as well.

Respectfully,

Dewey Barnes, Jr.

USN(Ret)
