## Oath Keepers on your Grocery Store Shelf?

**Check out the July issue of SWAT magazine, now on sale at a news rack near you! You will find the full Oath Keepers declaration of orders we will not obey right there in a national magazine that is carried by many national chains, such as Borders Books.**

**S.W.A.T. Magazine has been extremely supportive of Oath Keepers and along with this article in the July issue, you'll find Oath Keeper ads throughout the magazine and also an article on Oath Keeper John Gerrard's school.**
