Merchant Seaman Defending What Is Rightfully Ours

Independence_Day

I am well over 80 years old, A Merchant Seaman of WW2. Ive seen torpedos, gun fire, storms, etc. My Dad was a Purpel Heart Vet. of WW1. My brother was in Korea. Through it all Ive always been proud of My country. Now I dont like our Govt. getting Nazi Hitler ideas. As old as I am, I am VERY CAPABLE of defending what is rightfully ours. God Bless America!
