Air Force Veteran

A debt of gratitude is owed to all who have served,I am the son of a deceased army ranger, What is it going to Be Freedom or Fascism Fascism is a radical, authoritarian nationalist ideology that aims to create a single-party state with a government led by a dictator who seeks national unity and development by requiring individuals to subordinate self-interest to the collective interest of the nation.

Oathkeepers, I served in the USAF and got out on a General Discharge under Honorable Conditions because an ex-Marine retread didn't follow orders and he blamed me for getting caught. I'll never trust authority again.

But nonetheless, I swore an oath to uphold and defend the United States from all enemies foreign and domestic, and I have never been released from that oath --nor would I accept any release if I had. I'm with you all the way.

I'll help any way I can.
