I do not need these vile criminals or the illuminati to tell me how to live. I support oath keepers. The real GOD Jehovah Yahweh bless them!]]>

Wells' "Caravan To Midnight" (10). It is Technocracy (11), hiding behind the mask of the Trilateral Commission (12), which [...]]]> <https://www.oathkeepers.org/technocracy-rising-patrick-wood-on-caravan-to-midnight/#comment-27543> Tue, 07 Jul 2015 15:39:38 +0000 <https://www.oathkeepers.org/?p=5854#comment-27543> Elias...thank you for putting it all into perspective and doing such a good job. I must admit I'm still very much in the learning stage, although I did wake up a few years ago to the fact that something sinister was going on in this country.

However, regarding all this horrendous transformation of America and the world at large, I find it mind boggling that a group, or several groups, that represent this movement to transform America can manage to pull such a thing off! I realize it's being done incrementally, but still, these evil people have to have 'enforcers' to pull it off. These enforcers includes the military, local law enforcements etc. So I'm at a loss to understand how all the elite's enforcers can obediently follow orders to bring about so much death and destruction upon the population? Surely they have families themselves, and surely not all have hearts made of stone. So how do they justify their actions?

We had a taste of it during Hurricane Katrina when LEO... and National Guard I believe... went door to door confiscating citizen's firearms. They did this without anyone fighting back and turning the tables on them? This astounded me beyond words.....and I'm an old lady of almost 80 years of age.

I've heard of various military coups in my life, but I'm wondering if such a thing would take place in the US, and if so, if it would be stopped in its tracks or not. I know that Oath Keepers have a sworn oath, but I'm guessing they don't have enough numbers to go against whole armies. I'm really wondering about all this and would like another person's view point?

Thank you again, and all Oath Keepers for your dedication and loyalty. God bless each and every one of you.]]> <https://www.oathkeepers.org/technocracy-rising-patrick-wood-on-caravan-to-midnight/#comment-26664> Fri, 03 Jul 2015 06:54:18 +0000 <https://www.oathkeepers.org/?p=5854#comment-26664> [...] <https://www.oathkeepers.org/technocracy-rising-patrick-wood-on-caravan-to-midnight/> [...]]]> <https://www.oathkeepers.org/technocracy-rising-patrick-wood-on-caravan-to-midnight/#comment-19839> Wed, 03 Jun 2015 11:47:02 +0000 <https://www.oathkeepers.org/?p=5854#comment-19839> [...] We featured a video recently in which Patrick Wood of the August Forecast and Review was hosted by John B. Wells on Wells' "Caravan To Midnight" show. I was smitten, as was John B. Wells, who beknighted Mr. Wood right there on the show. I was inspired to write a lengthy synopsis about that show and also about Patrick Wood's newest book, "Technocracy Rising". If you missed it, please see that article here: <https://www.oathkeepers.org/technocracy-rising-patrick-wood-on-caravan-to-midnight/> [...]]]>
