We just completed a multi weekend medical training course, learn about self defence, shortly have a marksman (non gender specific) competition, have a Carrington Event exercise coming up and the list goes on and on. There are other ladies throughout the State as well but we guys are also all stand up respectable men as well, coming from all walks of life. Why don't you contact the State Director and come to one of our meetings or trainings to have a look and see who's there?!
