

W E D N E S D A Y ,

I will educate all of the new soldiers I
put in to the 10 orders

Oath Keepers,

I am an active duty soldier serving in the Army for 7 and one half years. I have served two tours in Iraq. I joined the Army because I wanted to give something back to my country. I wanted to serve, but for the past couple of years I have realized that something is not as it should be with the way things are being done in our nation. Throughout all of my research I had become disheartened with all of this and was beginning to feel disenfranchised with my service.

I felt alone.

Today I stumbled upon your organization and felt a profound sense of relief. I AM NOT ALONE! Right now I am a recruiter in central Illinois. Can you imagine how hard it is to do that job with my beliefs about the state of our nation? I will take the pledge and I will educate all of the new soldiers I put in to the 10 orders that should never be obeyed.

Thank you for creating this. Hopefully in the near future I can become more active in this organization. I feel a glimmer of hope in my heart again.

**Thank You,
SGT E
US ARMY**
