Essayons! Combat Engineer, and Desert Storm Veteran, Will Keep His Oath

**To whom it may concern:**

**I'm old, broken down, and way out of practice, but working to correct that problem. It's been 13 years since my last drill, 1996, and 18 years since my last active duty deployment, 1991, Desert Storm. You can be sure, however, that I will uphold my oath to defend the Constitution, even after all of this time.**
