Active Duty Military Police Officer and Constitutionalist

I am a Law abiding citizen, I am a husband, I am a brother, I am a son, I am a Patriot, I am an Active Duty Military Police Officer, I am a Constitutionalist and by the hand of my God whoever he shall be I will defend my Sovereignty and Liberty by the means that the Constitution Grants me, whether it be with civility or force. "We will say to the Powers that be, Be it with your blood or ours we have come to water the tree of liberty"

And what country can preserve its liberties, if it's rulers are not warned from time to time, that this people preserve the spirit of resistance? Let them take arms. The remedy is to set them right as to the facts, pardon and pacify them. What signify a few lives lost in a century or two? The tree of liberty must be refreshed from time to time, with the blood of patriots and tyrants. It is its natural manure.

The time is now I am with you.
