I will stand by ready protect the United States Constitution

I gave my oath for the first time on March 10, 1964 when I volunteered to serve a 6 year hitch in the US Navy. I served in Pensacola Florida and aboard the UWSS Glover out of Newport RI.

Latter in 1969 I again gave my oath as a full time Police Officer in a city in Massachusetts. I am now retired. To this day I stand by my oath to protect the Constitution of the United States. I am also appalled to hear Mr. Obama declare the Constitution a "Flawed document, in need of repair".

To my way of thinking MR. Obama is not the Commander in Chief. I will stand by ready protect the United States Constitution and Will Never accept an order from anyone that would defy it.
