Testimonial of Current Serving Sheriff's Deputy With 14 Years in Service

My name is Bruce Crumpler and I am a law enforcement officer in Tampa, Florida. I just recently heard of this site and organization and am extremely pleased it exists. I am 100% in support of Oathkeepers mission and commitment to uphold the Constitution. I trust I will never have to see the day when I am asked to violate a citizen's rights or illegally carry out specific orders against an American citizen; but if that day comes, it is my oath that I will first obey the laws of the Bible and secondly the U.S. Constitution.

I love my job and proud to be a 14 year member of the law enforcement profession; but before I am a law enforcement officer I am a Christian and a citizen of the United States.

I proudly stand with all associated with Oathkeepers and would love to do my part here in Florida to spread the message and assist the organization in any way possible. Please let me

know what I can do to assist. God bless you all, our families and this wonderful country.

OATH KEEPERs: Thank you, Officer Crumpler, for stepping up and for offering to help spread the message among your fellow officers. Check your email for an incoming message from me, putting you in contact with retired officer Chauncey Normandin, who is our Florida representative. I am sure he will be delighted to work with you. -
