## Active Duty Marine

I want to keep my name hidden and have sent this from a friends email.

I'm an active duty Marine

I would never kick in doors and take guns from people like something out of a bad movie. I would never have thought this would be something we have talk about, but we talk about it a lot lately.

I first saw the Marine in the youtube video a couple weeks back and then found this. We've all been reading it.

I agree with the ten orders we won't obey and so do my fellow Marines.

*The video he's referring to is below*
