Testimonial: Mine is an all American story, I guess. Raised on a small farm outside of KC Mo. Mother was a school teacher, my Dad a farmer. Joined the Marine reserves in 1982.

To make a long story short... It's not about democrats or republicans. It is simply about liberty versus tyranny. My great great grandfathers took their stand in their generations. It's my turn. I am all in. Proud to be a member of Oath Keepers.

Hoorah!!!
