Well, I've see all of the trailers and it appears to me that the average American patriot will not find a better way to educate his family, friends and neighbors than to have them view this film. The interviewees are highly notable and recognizable leaders in their respective fields of academia and are giving us the view from their foxholes pertaining to the grave danger facing America from globalist tyranny. In my opinion, none of us could convey this message as effectively as this film doesl. I believe that the message is every bit as urgent to proclaim as Paul Revere's message was. It is a message calling for immediate action. The film is a wake up call to a slumbering nation and I know of no better way (as of now) to convey the warning than to show this film to any and all who will watch. That's just what I am going to do. ]]> <https://www.oathkeepers.org/midnight-ride-in-full-daylight/#comment-33873> Thu, 30 Jul 2015 18:14:38 +0000 <https://www.oathkeepers.org/?p=7276#comment-33873> [...] <https://www.oathkeepers.org/midnight-ride-in-full-daylight/> [...] ]]>
