UNLIMITED RELEASE

SUBJECT: Assemblywoman Michele Fiore:

“FBI Agents in Oregon posing as Militia.”

The Coalition of Western States represents over 50 legislators and grass roots leaders predominantly in the Western United States dedicated to stopping federal overreach. Nevada Assemblywoman Michele Fiore of Nevada & COWS (Coalition of Western States) has released a statement regarding the Oregon Standoff. I just got off the phone with the former Fire Chief of Burns, Chris Briels, the Burns Fire Chief from 1984 to 2006. When he retired in 2006 the county asked him to stay on as the county Fire Marshal. According to the conversation I had with Chief Briels today at 12:26pm Pacific time, he disclosed to me that the Sheriff's office and Judge Grasty has been telling the community that the “militia” have been following and harassing people. Chief Briels observed what he thought was “militia” poking around the Armory and following townspeople so he took it upon himself to pull them over. According to Chief Briels these men posing as “militia” were the FBI. Chief Briels was so upset he has just resigned as the county Fire Marshal. He has gone public with this information.

[End press release]

The above brief press release from the Coalition Of Western States is an apt introduction for this video coverage of Chief Briels as he explains to media why he has resigned as Fire Marshal. His resignation, and the reason why he resigned, is a positively huge gesture of traditional American values at work in the heart of a public servant.

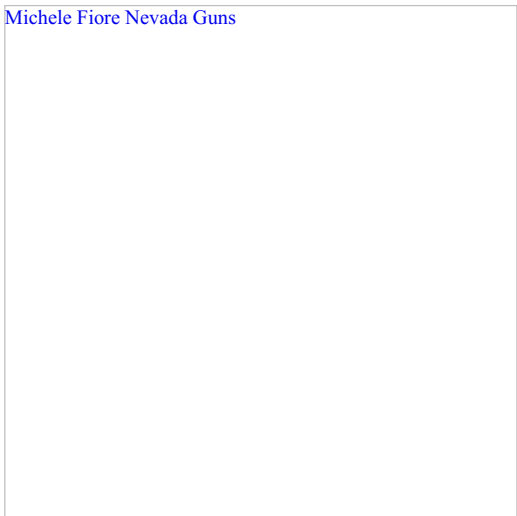

Some public officials have been spreading, or caused to be spread, rumors of “militia men” following local citizens in cars or pick-up trucks, harassing or frightening people. Now we learn that plain-clothed FBI agents have been doing that sort of dirty business. Learning just how insidiously corrupt government agents have become, Chief Briels resigned in disgust and has taken this discovery public. In the name of God, I must ask — How can a damned FBI agent do this sort of thing to an American community and face himself in the morning mirror? Why were FBI agents posing as “militiamen” and poking around the local Armory?

This footage is from the Pete Santilli Show.
