Testimonial: I took my OATH in Montgomery, Al. in 1966 with the USAF and served until 1972. My OATH then is still as strong today as it was then. I joined the OATH KEEPERS earlier this year and upon finding them through a friend. As I believe in GOD, GUNS AND COUNTRY, and FAMILY as they are my life.

I have been married for 37 years with a beautiful, and loving wife with 2 children and 5 Grand children, and I swore to protect them with my life with what ever means possible. My Constitution and the Bill of Rights gives me these to have and protect. I am now retired from the Electrical Industry and hopefully will have time to prepare them for what ever comes.

I truly believe the United States of America is being destroyed from within by our Politicians and Leaders that we voted into office, who have not kept their word and have forgotten why they are in office.

I was born free, in a free Country and fully expect to die a free man, so help me God.

NOT ON MY WATCH and MOLON LABE
