USCGR (Ret) " AMERICA's one and only  
hope lies in the ranks of military and law  
enforcement "

**Please add my name to those who've taken the oath.**

**I'm a recently retired 25 year member of the Coast Guard Reserve, E8/BM, having served at MSO Norfolk, USCG STA Portsmouth, USCG Sta Milford Haven, USCG ANT Milford Haven, USCG ANT Potomac, and USCG STA Little Creek.**

**My civilian career has been in public education, 32 yrs, all Sciences and Math from Grades 7 thru 1st year college. I have been opposing the increasingly oppressive federal gov't since 1973, when as a Jr in college, I had my first letter to the editor, accusing congress of treason because of the automatic pay raise, published.**

**Though retired, as all retirees I'm still a part of the stand by reserve and subject to recall, I shall absolutely refuse to follow any orders I believe to be unconstitutional or unconscionable, and to refuse any order given by a foreign officer regardless of his authority. I have a younger brother in the CG Reserve and two nephews in Law**

**Enforcement and am forwarding this to them.**

**I firmly believe that AMERICA's one and only hope lies within the ranks of her military and law enforcement personnel.**

**Thank you for providing this opportunity to continue to serve my country.**

**David P Wright,**

**BMCS USCGR (Ret), Physics Instructor, CBGS, Hartfield Va.**
