Corrections Officer says include me on this list too

Hi, I'm a Corrections Officer from Middlesex county in the Democratic Socialist Peoples Republic of New Jersey. I just saw your sight on the 9-12 forum and it took about 2 seconds for me to email you. I go by the handle of Brushwolf on the 9-12 forum.

Include me in, please feel free to email me any info that you are sending out. Let me know what I can do to help you (us) out during this time of concern to our country. I just hope that you guys are for real and not just some government entity making up a list of those that might be a problem, if you are I'm probably on a couple already so might as well include me on this one too.
