True American Spirit

We will join our brothers and sisters who have pledged the oath to our common good and protection of our Declaration of Independence, Constitution and Bill of Rights.

These are self evident and you are not alone my friends. We are all aware of the danger involved and will use our smart heritage in these times.

These freaks can't know what is waiting for them when we actually show what true American Spirit is right now!!

We see no color only BROTHERS AND SISTERS!!!
